The Blockade 20 is an on-the-water obstacle course designed to test agility by challenging users to run, dip, duck, and dive their way across. Users can challenge others to a race across this 20-foot feature to see who's fastest to the other side. Connect the Blockade 20 to any Aquaglide Aquapark configuration on all four sides using the integrated D-Ring Interloc system.

Mooring Diagram

* We recommend using Aquaglide mooring lines and weight recommendations as a starting point. It is the responsibility of the owner/ operator to consider the needs of their specific site, to monitor aquapark items, and to make adjustments as necessary. Some circumstances may require additional weight or different types of mooring.
