Designed as an approachable feature open to all skill levels, the I-Beam tests balance, strength, and concentration. Whether users race to the other side, hold jousting matches or see who can stay on the longest, the I-Beam offers the fun of a balance beam in a more forgiving setting. Connect the I-Beam to any Aquaglide Aquapark configuration on two sides using the integrated D-Ring Interloc system.

Mooring Diagram

* We recommend using Aquaglide mooring lines and weight recommendations as a starting point. It is the responsibility of the owner/ operator to consider the needs of their specific site, to monitor aquapark items, and to make adjustments as necessary. Some circumstances may require additional weight or different types of mooring.
