Socializing and lounging

Warranty:

Limited 3-year Lakefront / 1-year light Commercial

Material:

Welded DS 15cm + 0.90mm Cx3

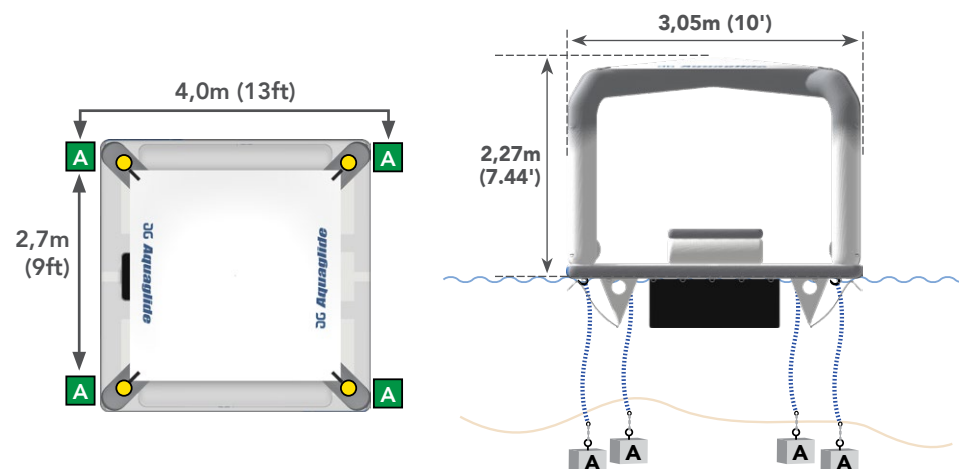

Construction:

Welded structural tube construction with 3-layer seams

Mooring Diagram

* We recommend using Aquaglide mooring lines and weight recommendations as a starting point. Weighted anchors can be either poured concrete or Aquaglide's Lakefront Anchoring System.

It is the responsibility of the owner/ operator to consider the needs of their specific site, to monitor anchored items, and to make adjustments as necessary. Some circumstances may require additional weight or different types of mooring.
